

Submit your CV to our pool of Experts

Kommunalkredit Public Consulting GmbH (www.publicconsulting.at) is a leading Austrian consultancy firm active in the Municipal Environmental Sector in Austria, CEE, the Russian Federation and the CIS-countries.

We are constantly expanding our Pool of Experts for short-term and long-term assignments in various countries. We are looking for the following type of experts:

Technical Experts: With experience in design, engineering, procurement, FIDIC and PRAG-guidelines, project preparation and project implementation.

Financial Experts: With experience in financial analysis, development of funding schemes and grant applications in the fields water management, renewable energy and energy efficiency, district heating and urban management.

Experts in Institutional Strengthening.

All experts must have prior work experience in the Municipal Infrastructure sector, namely:

- water management,
- renewable energy and energy efficiency,
- district heating or
- urban infrastructure.

All candidates should have also a relevant University Degree and very good English language skills. Experience in international financed projects is a plus.

If you are interested please forward your CV (including your desired daily rate and your availability) to: a.linke@kommunalkredit.at and j.laber@kommunalkredit.at
